

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY  
REGION II

DATE: SEP 27 2005

SUBJECT: Cornell-Dubilier Electronics Superfund site, Operable Unit 1  
South Plainfield, New Jersey  
Remedial Action IAG with U.S. Army Corps of Engineers

FROM: Carole Petersen, Chief  
New Jersey Remediation Branch

TO: Richard Manna, Chief  
Financial Management Branch

A completed Commitment Notice (CN) and GICS sheet to obligate \$400,000 to the U.S. Army Corps of Engineers (COE) for remedial action activities at the Cornell-Dubilier Electronics Superfund site are attached. The remedial action consists of the remediation of PCB contamination that is found on residential, commercial, and municipal properties located in the vicinity of the former Cornell-Dubilier Electronics facility. The total amount of this Commitment Notice is included in the fourth quarter FY'2005 Advice of Allowance.

These activities correspond to Task I in the Superfund State Contract (SSC) for the site. As per the terms of the SSC, the commitment of federal funds and the award of the construction contract trigger a payment from the State of New Jersey for the project. Therefore, please prepare a billing invoice to the State of New Jersey for the total amount of \$25,850, covering \$5,170 for the commitment of funds for construction and \$20,680 for the award of the construction contract. A copy of the SSC is attached.

The bill for collection should be addressed as follows:

New Jersey Department of Environmental Protection  
Office of Management and Budget  
Budget and Finance  
P.O. Box 420  
Trenton, New Jersey 08625-0420  
Attention: Director
